

CENTRE COMMUNAUTAIRE POUR PERSONNES ÂGÉES

Dear members of Almage Community Center,

I am excited to share with you that I am joining Almage as Executive Director. Having been a part of the Board for 2 years has allowed me to discover what a great center this is!

I hope that my experiences from working with seniors in the public and private sector will serve to carry out all the great ideas you have expressed to me during my visits with you .

This year we will be continuing our work on the Strategic Plan, as well as other challenges that were put on hold due to recovery from the closures brought on from Covid. Though the challenges may be many , I am looking forward to working with you overcome them and remain resilient in doing so.

As always, my ears and heart are always open, so talk away!

Mirella Castrechini
Executive Director Almage Community Center for Seniors
